NORBURY HIGH SCHOOL for GIRLS

NHSG Sixth Form - Open Evening 13th October

Medical Science - Find out more…

Dear Students,

Welcome to your 'Find out more…' page for Medical Science. The Level 3 in Medical Science is an exciting choice for students interested in understanding the human body, disease, and healthcare. It integrates biology, chemistry, and research skills, preparing learners for higher education and careers in medicine, research, or healthcare. Covering topics such as physiology, disease, pharmacology, clinical testing, and medical research, the course develops critical scientific knowledge and practical skills. With no prior learning required beyond Level 2 science qualifications, it's ideal for motivated students who enjoy science and want to contribute to advancing health, diagnostics, and treatments.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about Medical Science.

Ms Ziada & Ms Klopper
Subject Lead

Course details: BTEC Nationals Medical Science (AAQ)

- Board: Pearson
- Website
- NHSG Course information linked here
- Assessment style: Blend of Exam and Non-examination assessment
- Entry Requirements: 4 GCSE grades 4 and above including English, Maths and Science at Grade 4
- Destinations: Where can this subject take me, use the UCAS Browse Careers page to see more
