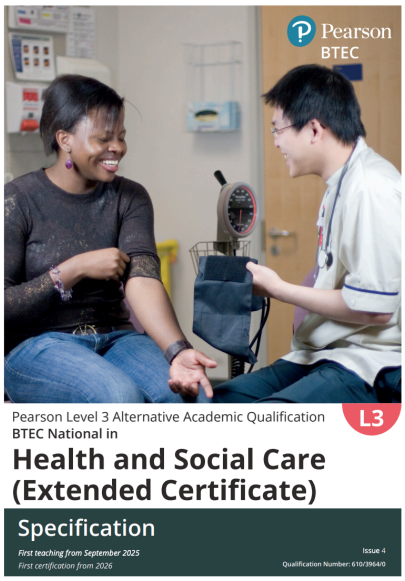
Health and Social Care - Find out more…



Dear Students,

Welcome to your 'Find out more…' page for Health and Social Care. Health and Social Care is a fantastic A Level choice because it combines practical skills with an understanding of how to support people's physical, emotional, and social wellbeing. You'll explore topics such as human development, health promotion, and the role of care professionals, gaining real-world knowledge that applies to everyday life. The course builds strong communication, teamwork, and problem-solving skills, preparing you for careers in nursing, social work, psychology, teaching, and other health-related fields. It's ideal for anyone who enjoys helping others and wants to make a positive difference in people's lives and communities.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about Health and Social Care.
