Important Exam Information

- A reminder that the registration times for summer exams are:
 - 8:30am for a morning exam
 - 1pm for an afternoon exam
- Important note: **exams can start any time up to 30 minutes before the scheduled exam time** so students must be on time for the registration time stated above as the exams can start anytime from the registration time.
- All students should register on the tennis courts.

Our Invigilators must follow strict rules laid down by JCQ for the conduct of examinations. As standard practice the school will be inspected in the summer examination series and the following will be checked.

- Coats and bags are not permitted in the exam room. If you bring these to school, they must be stored in your locker. **Students who need to stay warm, due to medical conditions, must wear thermal layers under their school uniform rather than a coat.** Coats will not be permitted into the examination rooms/halls.
- Full and correct school uniform must be worn to every exam.
- You must bring to the examination the correct equipment: black pen, pencil, calculator, rubber etc. Pencil cases must be fully transparent and not tinted. Calculators with a memory facility must be cleared before entering the exam room. Do not bring the calculator lid.

- You may bring bottled water but the label must be removed prior to entering the exam room and the bottle must be transparent. Food and chewing gum are not allowed in the exam room.
- It is essential that students do not have on or with them a mobile phone, iPod, MP3 player, smart watch, standard watch, headphones, earphones or any such device in any examination. To be in possession of such items or of notes connected with the subject being examined is prohibited and disqualification is the penalty for breaking this rule.
- When entering the exam hall or room you must do so in complete silence and remain that way until you leave as per JCQ rules “Candidates are under formal examination conditions from the moment they enter the room in which they will be taking their examination(s)”
- In addition, candidates must not have: any writing or marks on the hands, body or stationery– not even the date and time of an exam. **This also includes henna.**

School Uniform Donations

There are some families in our school community who are facing financial hardship, especially in light of rising living costs, therefore the school would gratefully receive any donations of branded school uniform such as the school jumper, blazer or PE kit, if in good condition, which can be passed on to families in need. If you would like to donate a piece of school uniform please bring this with you (washed) at the time of your last exam and hand it in to reception.

Results Day

Results day is scheduled for Thursday 20th August; further details regarding arrangements for collecting results will be released toward the end of the academic year.

Students must ensure they have provided a personal email address using the exams google form before they leave NHSG so we have contact details regarding the collection of certificates from November 2026.

I would like to take this opportunity to wish all our students the very best in their exams and next steps and I look forward to seeing them on results day.

If you have any further questions, please feel free to contact me on the details below.

Yours Sincerely,

Mrs M Collins
Senior Deputy Headteacher
