Dear Parents/Carers,

RE: Yr 7 Baseline Testing, Tuesday 3rd November

Tuesday 3rd November has been allocated for Yr 7 baseline testing in school.

These baseline tests help with identifying which students may require further support and with target setting. They are designed to assess strengths and weaknesses in reasoning and English. The questions are multiple choice and they are conducted under normal test conditions. **There is no preparation needed for them.** Students should not worry about their performance but on the day try their best. Students only need to bring with them their pencil case and a reading book (for if they finish early).

Your daughter should arrive at school, in full school uniform, on Tuesday 3rd November at **9am**. They will be at school until 1**2:40pm** – all students will be sent straight home**.** Students will not be having lunch at school, a packed lunch will be provided for free school meal students. There will be a comfort break between each part of the test.

When students arrive at school they should go straight to the tennis courts to line up in their registration group.

If you have any further questions, please feel free to contact me on the details below.

Yours Sincerely,

Mr T Dale
Assistant Headteacher (Data)
