5. *Anti-bullying and Child on Child abuse*

Bullying is defined as the repetitive, intentional harming of 1 person or group by another person or group, where the relationship involves an imbalance of power.

Bullying is, therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult to defend against

Bullying can include:

TYPE OF BULLYING	DEFINITION
Emotional	Being unfriendly, excluding, tormenting
Physical	Hitting, kicking, pushing, taking another's belongings, any use of violence
Prejudice-based and discriminatory, including: <ul style="list-style-type: none"> ● Racial ● Faith-based/ culture ● Gendered (sexist) ● Homophobic/biphobic ● Transphobic ● Disability-based ● Related to appearance ● Related to home circumstance including looked after children and young carers 	Taunts, gestures, graffiti or physical abuse focused on a particular characteristic (e.g. gender, race, sexuality, colourism)
Sexual	Explicit sexual remarks, display of sexual material, sexual gestures, unwanted physical attention, comments about sexual reputation or performance, or inappropriate touching
Direct or indirect verbal	Name-calling, sarcasm, spreading rumours, teasing

TYPE OF BULLYING	DEFINITION
Cyber-bullying	using computers, mobile phones or devices to insult, intimidate, threaten or distress, including content generated by artificial intelligence (AI)

Our intention is to make it clear to students, parents/carers and staff that bullying is totally unacceptable. Any bullying which occurs outside of school, but is brought into school, involves the school's online learning platform or relates to school in any way, will be dealt with as if it had occurred on the school premises.

Our aim is for all students to experience a happy and calm learning environment so they will be able to obtain the greatest benefit from their education. Every student has the right to be safe and happy in School.

5.1 Staff responsibilities

It is important for all staff to be alert, to notice bullying and to always take action promptly. If a student reports bullying it should always be taken seriously and investigated. Incidents should be recorded on Arbor (under the bullying behaviour descriptor) with both the Form Tutor and Head of Year informed and consulted regarding action. Minor incidents may be dealt with in class, but must be reported so that patterns can be identified.

For more serious incidents action will include informing parents/careers and involving them in dealing with the matter. The school will discuss bullying within the pastoral programme including PSHE. In the wider curriculum students will be encouraged to work in different groups. Guidance on safe internet use is provided during ICT lessons and reinforced through the wider curriculum. Support for parents in ICT use outside of the school is available through the school website.

5.2 Students

We strive to maintain a climate in school by promoting positive relationships that encourage students to speak up to staff if they experience bullying.

5.3 Bystanders

Students should understand that staying silent when they witness or are aware of bullying only protects the bully. Students should discuss any incidents with staff. Failing to inform staff can result in sanctions.

5.4 Victims

Students should report any incident of bullying to a member of staff. They should be aware that by not speaking about their experiences they are protecting the bully who may be bullying others as well. Victims will be offered support during and after the reporting of any incidence of bullying

5.5 Reporting

Students can report to any member of staff in school or by asking their parents/careers to inform the school. We also have an anonymous bullying reporting box for anonymous reporting available to students in the English block.

5.6 Parents/carers

Parents/Carers are encouraged to contact the School if they believe their child is being bullied or involved in bullying. The School will deal with reports sensibly but firmly. Parents are encouraged to contact their child's Form Tutor or Head of Year in the first instance.

5.7 Procedures

Our approach to bullying is led by the Head of Year. They are the main point of contact for parents involved in the process and can liaise with the Senior Leadership Team (SLT) where appropriate.

Upon the report of bullying the following steps will be followed

- 1) The Head of Year (HOY) is informed and a record started on Arbor and CPOMs.
- 2) The HOY will get statements from the students involved and any other students identified, as students are identified the HOY may require more statements.
- 3) At this point the HOY may decide to undertake a Restorative Justice Approach*, - this will be based on the severity and is a judgement made by the HOY.
- 4) Parents of all students concerned will be contacted regarding the incident and their support requested.
- 5) The HOY may then decide to impose sanctions for the incident concerned. If particularly severe this may be escalated to SLT
- 6) Support will be put in place for all students to avoid this behaviour reoccurring
- 7) Should the bullying continue then further disciplinary measures will be taken which can include suspension.

*a process through which parties with a stake in a specific incident collectively discuss the impact and how to deal with the aftermath of the incident and its implications for the future

5.8 Child on Child abuse

We aim for our school to be a safe place for all students, but we recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”, as this can lead to a culture of unacceptable behaviours and an unsafe environment for pupils.

All child on child abuse is unacceptable and will be taken seriously. Most cases of pupils hurting other pupils will be dealt with under our school’s behaviour policy, but the school’s child protection and safeguarding policy will apply to any allegations that raise safeguarding concerns (Appendix)

- The expected standard of behaviour they should be displaying at school
- That they have a duty to follow the behaviour policy
- The school's key rules and routines
- The rewards they can earn for meeting the behaviour standards, and the consequences they will face if they don't meet the standards
- The pastoral support that is available to them to help them meet the behaviour standards

Pupils will be supported to meet the behaviour standards and will be provided with repeated induction sessions wherever appropriate.

Pupils will be supported to develop an understanding of the school's behaviour policy and wider culture.

Pupils will be asked to give feedback on their experience of the behaviour culture to support the evaluation, improvement and implementation of the behaviour policy.

Students are expected to wear the correct uniform and adhere to the Norbury High School for Girls Uniform Policy. Students also have the responsibility to ensure that incidents of disruption, violence, unsafe behaviour, including bullying and any form of harassment are reported. They have a responsibility to contribute to the democratic processes of the school by using their student executive team and student council to

voice concerns surrounding the behaviour policy and its application. They have the responsibility to resolve incidents and speak using non-discriminatory language.

We provide opportunities to explicitly teach behaviour to our students through our tutor time and assembly programme, as well as within our PSHE and wider curriculum.

Additional student expectations:

In the event that a teacher does not arrive to the classroom, the form captain (or a substitute) should report to the front office. If you are allowed into the classroom, begin work or read a book.

If you are late to a lesson, you should enter the room and wait near the door until a suitable moment to apologise to the member of staff and, after doing this, sit down quietly. If you are

delayed by a teacher and this causes you to be late for another lesson, then you must get a note from the teacher who has kept you, and show it to the teacher you are going to.

7.1 Mobile phones and other electronic devices

Students in years 7-11 may bring a mobile phone and other electronic devices to school however they must be-

- Turned off and out of sight upon entering the school grounds (before passing through the main gate).
- Given to their form tutor each morning who will put all phones in a labelled, lockable phone box.
- Not turned on, used or shown in public until the student has left the school grounds at the end of each day.

Students will be given their phones back at the end of the school day during PM registration.

The rules on mobiles phones are very clear and are in place to protect the wellbeing of staff and students. They are non-negotiable.

Failure to comply with the above expectations will result in a suspension for defiance. Where possible, the school will try and de-escalate this situation by confiscating the mobile device for 5 days and issuing a centralised detention. This is at the discretion of the Headteacher.

If students need to make urgent contact with home, they will need to speak with their HOY or reception staff who will facilitate this if appropriate.

Outside of this process the following sanction process will occur-

1. The MP3/4 player, camera, iPod, smart watch etc. (this list is not exhaustive) which is found on any student will be confiscated for 5 days.
2. It will then be available for pick up by a parent/carer.
3. The student will have a one hour centralised detention which must be served prior to the phone or other device being returned to the parent/ carer.
4. If the student was deliberately using the phone or other device, 2 one hour centralised detentions will be issued.

Where an electronic device is found, the school may examine any data or files on the device if there appears to be a good reason to do so. Following an examination, the School may erase any data or files, again if there seems to be a good reason to do so. A good reason would be that the data or file in question has been, or could be, used to cause harm, to disrupt teaching or break the School rules. Where necessary the school will refer to the school's police team.

Where the use of a mobile phone has resulted in serious misbehaviour and or a safeguarding concern, the school has the right to confiscate the phone until the police deem it appropriate to return it.

Smart watches/ kindles or other electronic reading devices are not allowed.

8 Guidelines for staff regarding managing behaviour

8.1 Recognition of good work and behaviour

Verbal praise and Acknowledgement

It is proven that rewards are more effective than punishments in managing behaviour. Instant feedback in the form of a smile, 'thank you', and 'well done' provide the most effective form of reward and are therefore integral to the teaching approach employed in and out of the classroom. Immediate recognition of this type is most often the outcome of good work or behaviour in the classroom or contributions to the school community.

- Use of praise and encouragement — verbal and non-verbal; written comments on work
- Display of students' work in the classroom or around the School building
- Use Achievements on Arbor – awarded at teacher's discretion in line with departmental policy
- Celebrating achievement at assembly
- Letter to parent/carers congratulating student

- Departmental certificates
- Inclusion in newsletter
- Presentation of certificates and highlighting of achievement at assemblies at the end of each term and certificate afternoons annually
- Reward trips
- Departmental postcards sent home – very popular with KS4
- Star of the Week Certificate
- Well done breaks
- Good news emails

NB: Public recognition of achievement by individual students should only take place with the student’s consent. On occasion, rewards need sensitive handling.

Achievements points

Achievement points will be awarded via the School’s management information system (Arbor) by:

- Teaching staff in recognition of excellence within subject area(s)
- Teaching and non teaching staff in recognition of positive behaviours outside of the classroom.
- Form tutors in recognition of positive contributions to their tutor group
- School Leaders of extra-curricular and enrichment activities in recognition of their involvement in school led extra curricular activities on a termly basis.

Achievements are available to be seen on Arbor parent portal, the parents’ portal, so parents are kept informed

Achievement will be rewarded as follows:

Number of Ach. Points	Actions to reward	Action by
20	Letter home	Form Tutor
30	Postcard home	Form Tutor
50	Bronze certificate presented in year assembly	Head of Year
70	Silver certificate presented in year assembly	Head of Year
100	Gold certificate presented in School assembly	Head of Year to relevant SLT
250	Platinum certificate presented in School assembly	Head of Year to relevant SLT

- N.B. All actions to occur by the end of each half term of the student achieving each milestone

Student of the Term

One per form is to be nominated by the Form Tutor. At the final assembly of each term, the Form Tutor explains why that student has been nominated and the student is presented with a certificate and small gift. One student is nominated by the Head of Year for student of term and will receive a £10 voucher.

Responding to behaviour

PREVENTATIVE ACTION

8.2 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the school.

They will

- Create and maintain a stimulating environment that encourages pupils to be engaged.
- Display the 4E's behaviour curriculum/classroom rules
- Develop a positive professional relationship with pupils
- Role model the positive behaviours they expect from students

8.3 Consistent classroom routines

Consistent systems and routines help to support positive relationships between staff and students and are vital to ensure there is a calm and orderly environment throughout the school so that all students can focus on learning in all lessons.

At all times, in our implementation of these systems/ routines, we must ensure that reasonable adjustment is provided for students with special educational needs and disabilities. This will balance individual needs with the needs of the school community as a whole.

It is the responsibility of every teacher at Norbury to consistently meet the following expectations for lessons that take place on the school site:

Start of lessons

- Student lining up outside the classroom quietly
- Greet students at the door and address any issues (such as uniform or unsettled behaviour before they enter)
- 'Do now' task on the board as students enter
- Register taken in first 5 minutes in silence

During lessons:

- Establishing consistent classroom routines
- Consistent reinforcement of behaviour expectations
- Highlighting and promoting good behaviour
- Using positive reinforcement
- Clear and consistent boundaries

End of lesson:

- Students pack equipment away & stand behind their chairs quietly, before dismissing

Above all, lively, interesting, relevant and accessible teaching will engage the class and minimise disruption.

8.4 Sanctions

Sanctions should be the least necessary to bring about the required change in behaviour. No teacher or student is expected to tolerate disruptive, rude or unacceptable behaviour. Classroom behaviour is initially the responsibility of the classroom teacher.

Lines of referral if required are in order (please refer to your teacher planner for further guidance):

Class Teacher → Head of Department → Head of Faculty → SLT (walkabout)

Form Tutor → Head of Year → ELT/SLT attached to Year group

All behaviour should be reported on Arbor

However, if a really serious incident occurs e.g. a fight, threatening or racist behaviour or blatant defiance, **phone reception on 201/372 who will alert walkabout. Form Tutors will be alerted via Arbor.**

Concerns about homework, lack of books and or equipment should be recorded on Arbor and dealt with by the classroom teacher supported by the Head of Department if necessary, using the sanctions listed below.

Sanctions available to every teacher include:

- reprimand by teacher
- conversation at end of lesson/break/lunchtime
- compulsory seating arrangement
- sending out of room briefly
- send to safe timetable* with work – this is published each year, showing staff willing to receive one miscreant into their lesson
- Centralised detention
- Support within the department

*Safe timetable- a different classroom for the student to work in that is not their allocated class and teacher. This occurs for the lesson that the student needs to be removed. When this occurs the classroom teacher that removed the child should call home to inform the parents/ carers. The student is expected to have a reflective conversation, prior to returning to the lesson. If this discussion does not occur to a satisfactory level the student will remain on safe timetable until it does.

8.5 Classroom management - Striving for Excellence

The rules for escalating classroom behaviour is:

Each class room will have a striving for excellence chart on the teacher desk. All students start every lesson in the excellence zone which means they are ready to learn and meet high expectations.

Striving for Excellence chart

Excellence Zone -	First Opportunity	Second Opportunity	Safe timetable
All students start in this zone every lesson <i>Achievement points should be given for excellence in lessons</i>	Student initials written in the first box <i>Expectations reinforced by teacher</i>	Student initials moved to second box <i>Student given clear instructions for improvement by teacher</i>	Students' initials moved to the bronze zone. Placed on safe timetable within faculty

Examples of behaviour which would warrant students receiving a warning are:

- deliberate interruption of the teacher
- continuing to talk after being told not to
- eating or drinking in class (other than water)
- grooming themselves or others
- failing to observe departmental or safety rules
- inappropriate behaviour
- inappropriate language
- unpleasant remarks to/about another student
- unacceptable attitude to teacher/adult

This list is not exhaustive, but indicates the general standards to be applied.

	Teacher Card	Reporting	Acted on by	Action to be taken
First Opportunity	Initials (yellow zone) on card	None – warning only	Subject teacher	Teacher to discuss with student at time of teacher's choosing & reinforce expectations
Second Opportunity	Initials (silver zone) on card	Record behaviour on Arbor	Subject teacher	Teacher to discuss with student at time of teacher's choosing, again reinforcing expectations
Safe timetable	Initials (bronze zone) on card	Liaise with teacher on safe timetable	Subject teacher sends student to safe timetable (within faculty).	40 minute centralised detention to follow
Homework not done, Inadequate completed	N/A	Record behaviour on Arbor	Subject Teacher Pastoral team to run Homework detentions	30 min Homework detention at the end of the day.

Misbehaviour outside of lessons	N/A	Record behaviour on Arbor	Member of staff that has witnessed this	HOY to monitor and act depending upon previous history
Incorrect uniform No books / equipment	N/A	Record behaviour on Arbor	Form Tutor in first instance. Member of staff that has witnessed this	3 instances in a half term - Form tutor to make contact home
Three or more times late to lessons in a week (not School)	N/A	Record behaviour on Arbor	Pastoral team	SLT detention (1 hour and 30 minutes)

Should a student be removed from a lesson for failing to meet expectations (safe timetable) the classroom teacher is expected to call home. Students must also take part in a restorative conversation with the member of staff before readmittance to the lesson. Failure to do so will result in the student remaining on safe timetable.

Our striving for excellence system allows students to recognise their behaviour, reflect and improve upon it.

8.6 Monitoring behaviour

Form Tutors / Head of Department / Head of Year to monitor behaviour reports in their form / department / year, deal with students and contact parents/carers as appropriate

Specific trigger points for action are:

Number of Behaviour Points in Academic Year	Action
10	Form Tutor phone/send letter home
20	On report to Form Tutor
30	Form Tutor refer to Head of Year for Head of Year report
40	Extended Leadership Team (ELT) Report & Parental meeting with HOY/ELT
50	Students to receive Governors letter & Headteachers panel
60	Head of Year refer to SLT and further strategies/sanctions/support from HT panel agreed
70	On academic support plan to SLT
80	Referral to Governors
90- 100	Governors panel (next steps discussion)

8.7 On-report procedure

Sometimes it is desirable to place a student on a special report. These are:

- **Weekly report (green)** initiated by Form Tutor, completed by teachers and shown to tutor and parents/carers daily + year leader weekly
- **Head of Year report (yellow)** – taken to named person (Head of Year) daily
- **ELT report (orange)** – taken to named person (ELT) daily
- **SLT report (pink)** – taken to named person (SLT) daily
- **Academic Support Plan (white)**- taken to named person (SLT) daily
- Other motivational reports e.g. (positivity report) are used occasionally to support students

No student should be taken off report until a good week has been achieved. Failure to get a report completed, or persistent poor reports should be referred up for further action.

8.8 Role of Head of Department (HOD)/ Head of Faculty (HOF)

Teachers should refer students to their HOD/HOF when following the striving for excellence system. HOD/HOF should ensure that there is a safe timetable available for staff within their department. This might involve working within the wider faculty to ensure appropriate classes are used.

HOD/HOF should monitor issues regarding equipment and books across their departments and carry out checks that students are keeping books to the required presentation standard.

If a student's behaviour becomes unmanageable by the strategies used by the classroom teacher, or persistent in spite of action taken, then the first line of referral will normally be to the Head of Department (HOD). Strategies the HOD may use include:

- Discussion with student resulting in verbal/written apology
- Student's work to be regularly checked by HOD
- Student put on Department Report, checked by HOD
- HOD to speak to/detain group
- Telephone home and letter sent to parent/carer from Head of Department – inform Tutor and year leader. The student to work out of their own class for a period of time (safe timetable).
- Put student in centralised detention – these are run and supervised by staff with any position of responsibility on rotation

8.9 Role of Head of Year (HOY)

HOY will monitor behaviour logs on a daily basis. They will add students to the report system to ensure more detailed monitoring where appropriate and by following the monitoring chart above.

HOYs will carry out investigations for serious behaviour issues and deal with behaviour issues in a non-classroom environment.

Wherever there are serious concerns about a student's behaviour, or a serious incident has taken place, the pastoral team should be contacted/ kept informed. In liaison with the HOD, the appropriate member of the pastoral team may:

- see the student to discuss the behaviour,
- contact parents/carers by phone, letter or invite in for interview
- place student on daily or weekly report to year leader
- place student in the Behaviour Support Room (BSR) within school for a period of time
- place student in centralised detention.
- communicate with parents /carers when a shift in behaviour is noticed
- communicate with parents carers when incidents are occurring in quick succession
- inform parents/ carers about possible outcomes if behaviours continue/ do not settle including the possibility of being brought before a headteachers/governors panel/ seeking an alternative provision or managed move
- Refer the student to SLT for further action.

8.10 Role of Senior Leadership Team (SLT)

SLT members will monitor the behaviour through the line management system and pastoral meetings. SLT will monitor their year group behaviour via behaviour logs on a fortnightly basis.

SLT will support HOYs in following the system and will deal with referrals from HOYs when required.

A member of SLT will always be involved where there are serious or persistent behaviour concerns.

Action may include any of the sanctions listed above and the following

- Placing student on report to a member of SLT,
- Requiring parents/carers to attend for a meeting to discuss concerns
- Referral to outside agencies,
- Arranging respite provision off site etc.
- Liaise with governors as necessary with regard to students who are making their way to the top of the behaviour policy

Suspensions can only be authorised by the Headteacher or the senior Deputy Headteacher on site at the time if the Headteacher is off site. Students may be suspended for one or more days depending on the seriousness of the offence, or excluded permanently. For further information on Suspensions & Exclusions please refer to the Suspensions & Exclusions Policy.

8.11 Role of Parents/ Carers

It is our expectation that by accepting a school place at NHSG, parents and carers will support their daughter & the school in keeping the school happy and safe including supporting us in any sanction required to allow students to reflect and improve on any unwanted behaviours.

Parents are expected to:

- Support their child in adhering to the Student Code of Conduct
- Inform the school of any changes in circumstances that may affect their child's behaviour
- Discuss any behavioural concerns promptly with the class teacher or Form Tutor
- Behave appropriately when dealing with conflict
- Ensure you keep abreast of how your child is doing at school
- Communicate with the school with regard to anything that might affect your child's behaviour in school
- Ensure we have up-to-date contact details for home and emergency contacts
- Communicate courteously when attending school events and meetings and understand that any recording of school events and meetings is prohibited unless prior agreement has been granted.
- Help the school in upholding behaviour expectations of students and where necessary supporting us in upholding any sanction required.
- It is expected that parents/ carers support the school by ensuring your child does not behave in an adverse manner towards children and staff inside or outside of school

8.12 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform

- In any other way identifiable as a student of our school

Sanctions may also be applied where a student has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another pupil or member of the public
- Could adversely affect the reputation of the school

Sanctions will only be given out on school premises or elsewhere when the pupil is under the lawful control of the staff member (e.g. on a school-organised trip).

8.13 Serious Incidents

- If there is a serious incident, the classroom teacher should seek help and support immediately. It is vital that any serious disciplinary incident is recorded fully and a copy passed to both HOD and the pastoral team
- It is impossible to pursue more serious disciplinary sanctions, such as the BSR or suspensions, without adequate written evidence. Any such report must be signed and dated, including the year.
- Immediate help can be summoned by calling walkabout via reception, or if this is not an option, by phoning any appropriate member of the pastoral team.
 - feedback regarding the reasons and situation that led up to the pushing of the emergency button to be written up and passed onto the HOF and SLT in charge of behaviour within a week of the incident so that action can be taken to reduce the need for such a situation in the future

8.14 Allegations against staff

Any allegation against a member of staff should be referred to a member of SLT immediately, unless it is a Child Protection issue. (see Safeguarding Policy for guidance.) A thorough investigation will take place, including the member of staff being asked for his/her version of events.

Where a malicious allegation has been made, appropriate sanctions will follow, taking into account the age, level of understanding and any SEND of the child, and also the nature and context of the allegation. Such sanctions may include fixed term suspensions or permanent exclusion.

8.15 Sanctions

Detentions

These are a non-negotiable part of the behaviour policy

During the school day

- Detentions can be issued by any member of staff and can be held during break-time and lunchtime, before or after school as decided by the member of staff running the detention.
- With lunchtime detentions, staff should allow reasonable time for the student to eat, drink and use the toilet. 10 minutes at break time and 20 minutes at lunchtime.
- Detentions during the school day will primarily be for poor punctuality and minor instances of misbehaviour.
- All other infringements will be managed via the centralised detention protocols

- Any detention must be held in a classroom, and continuously supervised by the teacher who gives the detention, unless other arrangements have been agreed for supervision.
- No one may be put in detention in the staff corridor or any unsupervised place.
- All students should be in full school uniform and not wearing coats or scarves.
- Phones are banned in detentions just as they are for lessons.

Centralised detention protocols:

After the school day

- Centralised and Homework detentions will be held on the same day as they are issued. Parents will be notified of the detention at the end of the school day via email.
- Detentions for no more than 1 hour may be held at the end of a school day without 24 hours notice.
- All students will be dismissed 1 hour after the end of the school day unless 24 hours notice has been given of a longer detention.
- This will be communicated with parents via the Arbor app, the student planner or through a phone call/email home.
- Students will be notified of their detentions by the teacher issuing the detention. They will also receive notification of the sanction in their afternoon registration.

Homework detention (30 minutes 3:25 pm-3:55 pm)

- Students will be referred to Homework detention for incidents of not completing homework, or instances where the homework completed falls well below the expected standard.
- Persistent issues related to homework may result in a centralised detention & meetings with parents.

Centralised detention (40 minutes 3:25 pm - 4:05pm)

- Centralised detention is supervised on a rota basis, and takes place in a specified room on Mondays through to Fridays from 3:25 pm - 4:05pm (40 minutes)
- This is for any behaviour ranking 2 on the behaviour sanctions lists.
- Any behaviour logged during the school day will result in a detention being served on the same day.
- Parents/carers will receive an email confirming that their child is being kept for detention.
- Staff that place students in centralised detention must attend at some point to have a restorative conversation.
- Notification of a detention is for information purposes and not a time for Parents/ Carers to raise queries.
- Centralised detention is not for incomplete work, instead instances where this needs to be addressed students should be sent to Homework detention which will be run by the Pastoral Team.
- Failure to attend centralised detention will result in being referred to SLT detention

Head of Faculty (HOF) detention (1 hour 3:25 pm -4:25 pm)

- Head of faculty detentions will be hosted fortnightly on a rotating basis with the relevant Head of faculty.
- Students may be placed in HOF detention for the following
 - Serious misbehaviour with a faculty
 - persistent/on-going issues of misconduct/misbehaviour in lessons (within a faculty)

- Failure to attend the HOF detention will result in a referral to SLT detention
- Staff who place students in HOF detention must attend at some point to have a restorative conversation.
- Parents will be notified via email of the detention.

SLT detention (1 hour & 30 minutes every Friday)

- Will be held on a Friday for 1 hour and 30 minutes.
- Students may be placed in SLT detention for the following
 - have missed a centralised detention
 - have demonstrated a significant behaviour
 - Failure to attend SLT detention will result in be referred to the Behaviour Support Room

The BSR (Behaviour Support Room)

HOY, ELT & SLT can place students in the BSR as part of a sanction but also if appropriate whilst carrying out an investigation.

Examples of some behaviours that would lead to the BSR (this is not an exhaustive list)

- Swearing in class
- Extreme rudeness
- Walking away from staff members
- Serious disruption of learning

If the BSR is used as a sanction the following should be followed

- Students will be placed in the BSR on the day of any given incident and the following day for a full day including detention after school until 16:15. This will count as one day in the BSR.
- The BSR is for a fixed and continuous period of time not exceeding 5 days
- Students directed to the BSR might also have a follow up meeting with the ELSA (Emotional Literacy Support Assistant) or the Behaviour HLTA to consider their response to the given situation with an aim to identify the root cause of the behaviour and hopefully avoid a repeat occurrence. This conversation might be conducted by another member of staff.
- Parents will be notified that their child has been placed in the BSR
- Any student who is placed in the BSR for a second time in any one term will automatically be referred for behaviour mentoring.
- A student can be placed in the BSR only twice in any one term. On a third occasion in any one term students will be suspended
- When placed in the BSR students will have a discussion with SLT/HOY/ Behaviour Support Officer with regard to the reason they are in there and how to avoid such a situation moving forwards
- Students in the BSR will be given an opportunity to complete a reflection journal which is designed to help them identify the events and triggers that led to their time in the BSR and how to reduce the opportunity for this to happen again. This will be discussed with the Behaviour Support Officer.

After that, behaviour serious enough to otherwise warrant the BSR, will result in a fixed term suspension.

1. This is due to the fact that by this point the student will have received warnings, explanations and intervention, and she has not changed her behaviour.

2. In this case, a meeting of Form Tutor, mentor, SEND representation and if felt advisable parent and / or other agencies must be convened by the pastoral team to discuss the student and ways forward.
3. In the case of a student suspension a MARF (Multi-Agency Referral Form) will also be considered.

Students on 90 or more behaviour points or up to 10 days of suspension will automatically be referred to Governor's Panel (the school reserves the right to make exceptions to this)

Online Learning Sanctions

Use of the online learning platform is treated as the same as being on the school site. The above rules relating to bullying apply in the online environment as they would on school site.

The following is the process for sanctions during live lessons

- 1) Students will receive a warning for minor incidents from the teacher.
- 2) Continued incidents or more serious behaviour will result in the student being removed from the lesson
- 3) If the behaviour is viewed as serious then the teacher can block the student from subsequent lessons.
- 4) If a student is removed from a lesson or blocked from future lessons then parents/carers will be contacted.
- 5) Staff will log the behaviour using the online system
- 6) HOYs will decide on possible further sanctions depending on the frequency/seriousness of the behaviour once the student is back on school site.

Vandalism/Criminal Damage

Should a student engage in vandalism/criminal damage including graffiti then any costs incurred will be passed on to the student/parent. This includes the hourly rate of staff needed to repair/remove the damage. This is in addition to any other sanction.

Sixth form policy

The Sixth Form operates a slightly different rewards and sanctions policy. All students sign a Code of Conduct (see appendix) on entry into the sixth form which stipulates the rules and regulations which all students will abide by. Achievement and behaviour are recorded on Arbor as for years 7-11.

Searching students and confiscation

The following is based on the current law and on DFE guidance issued 2012.

Uniform searches must be carried out with a witness and by a person who is the same sex as the person being searched. Where possible, the witness should also be the same sex as the student being searched. Where a student's possessions are being searched, this should be done in the presence of the student, unless the need is urgent and serious harm may result from delay. The person conducting any search can require a student to remove coats, scarves, gloves or footwear, or a jumper if worn over a blouse /shirt, but no other clothing. Bag searches can be carried out by persons of any gender.

SLT/ ELT/ Heads of Year and Pastoral Leaders can search a student for any item if the student agrees. If the staff member suspects that the student has a banned item, they can instruct the student to turn out their pockets and can look in their bag and locker. If the student refuses, this should be treated as defiance and sanctions according to the school behaviour policy will be applied. This is likely to be the BSR or suspension depending on the full circumstances. In instances where there is reasonable cause to suspect items being looked for might cause harm, if the student refuses to be searched Parents/ Carers will need to come and pick up their child, this will be an unauthorised absence.

School staff can require students to undergo screening by a walk-through or hand-held metal detector (arch or wand) even if they do not suspect them of having a weapon.

The Headteacher, SLT and Heads of Year can search students or their possessions without consent, where they have reasonable grounds for suspecting that the student may have any of the following:

- knives or weapons,
- alcohol,
- illegal drugs,
- stolen items,
- tobacco and cigarette papers,
- fireworks,
- pornographic images.
- mobile phones
- banned items
- Also any item that the member of staff reasonably suspects has been, or is likely to be used to commit an offence or to cause personal injury, or damage to the property of, any person (including the student).
- Items identified in Appendix 5- Prohibited items

SLT, or other school staff instructed by them and in their presence, can use such force as is reasonable given the circumstances when conducting a search for knives and weapons, alcohol, illegal drugs, stolen items, tobacco and cigarette papers, fireworks, pornographic images or articles that have been or could be used to commit an offence or cause harm. Such force **cannot** be used to search for other items banned under the school rules.

School staff can seize any prohibited item found as a result of a search. They can also seize any item, however found, which they consider harmful or detrimental to school discipline. Such an item can be confiscated, retained or disposed of by the School as a disciplinary penalty where reasonable to do so. Where any item is thought to be a weapon, or if controlled drugs are found, this must be passed to the police.

Parents will be notified any time their child is involved in a search at school.

Online Behaviour

Students must adhere to and should refer to the schools **ICT & Internet Acceptable Use** policy which is signed during their enrolment process each year.

Sustainable behaviour

You are expected to have a sustainable approach to School life. This includes reducing energy and waste by recycling and reusing resources wherever possible, turning off electrical and water

supplies when not in use and avoiding littering and vandalism within School grounds and the wider community. By doing this, you will make Norbury High School a greener, cleaner, happier and healthier place to be.

Special Measures

Students, staff and parents/carers should be aware that due to unforeseen circumstances additional behaviour measures may be required. These will be added to the behaviour policy in the form of Appendices which will outline the circumstance of the additional measures, sanctions and their place in relation to the above.

9. Monitoring and evaluating the policy

This policy will be monitored and evaluated by:

1. Displaying the Behaviour Contract in form rooms and including it within the planner.
2. Review and discussion within the PSHE programme.
3. Including Contract points in the Bulletin as behaviour targets.
4. Effectiveness of policy to be reviewed — on the agenda at pastoral, department, year leaders and SLT meetings regularly.
5. Parents, students and Governors to be asked to review effectiveness of the policy.
6. SLT to maintain overview of implementation of the policy.
7. Should special measures be required these will be added as an appendix to the main policy and presented to the Governors.

An equality impact assessment has been carried out with regard to this policy. There was found to be no significant impact on any group with protected characteristics i.e. this policy does not discriminate against anyone on the basis of disability, gender reassignment, pregnancy and maternity, race, religion or belief, gender or sexual orientation

Appendix 6 - Zero-tolerance approach to sexual harassment and sexual violence

The School will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

Sanctions for sexual harassment and violence may include:

- Discussing the behaviour with the student and ensuring they understand why the behaviour is unacceptable
- Detention
- Behaviour Support Room (BSR)
- Suspension

The School has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
 - The Head of Year (HOY) is informed and a record started on Arbor.
 - The HOY will get statements from the students involved and any other students identified, as students are identified the HOY may require more statements.
 - At this point the HOY may decide to undertake a Restorative Justice Approach*- this will be based on the severity and is a judgement made by the HOY.
 - Parents of all students concerned will be contacted regarding the incident and their support requested.
 - The HOY may then decide to impose sanctions for the incident concerned. If particularly severe this may be escalated to SLT
 - Support will be put in place for all students to avoid this behaviour reoccurring
 - Should the sexual harassment or violence continue then further disciplinary measures will be taken which can include permanent exclusion.

- Restorative Justice Approach - a process through which parties with a stake in a specific incident collectively discuss the impact and how to deal with the aftermath of the incident and its implications for the future

- Carrying out risk assessments, where appropriate, to help determine whether to:

- Manage the incident internally
- Refer to early help
- Refer to children's social care
- Report to the police school's team

Please refer to our child protection and safeguarding policy for more information.

Cyberbullying

We remind parents/carers that students are not permitted to use mobile phones on site, as such any activity carried out online beyond school is the responsibility of the parents/ carers to monitor and intervene as appropriate. Please refer to the e-safety section of our website for more information and guidance to support you with this. Where online behaviour impacts on the wellbeing of our students or staff or where the school is brought into disrepute the school reserves the right to engage and sanction as necessary/ refer to the necessary authorities. Where appropriate, parents/carers, Internet Service Providers and the Police will be involved. Internet access in School will be suspended.

Monitoring and evaluation

It is the responsibility of the Senior Leadership Team to ensure that this policy is being followed. Bullying will be an agenda item on Year Team meetings and within pastoral line management meetings to enable evaluation. The number of bullying incidents on Arbor will be monitored regularly to target any intervention both at an individual student and group level.
