

Fine Art - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for **Fine Art**. Studying Fine Art at our Sixth Form is an inspiring journey that encourages you, as young artists, to develop a personal and creative style through the use of a wide range of materials and techniques. The course offers exciting opportunities to experiment with drawing, painting, mixed media, printmaking, and more. We encourage the exploration of a wide range of artists and themes which support the development of personal and meaningful work.
