

Economics - Find out more...

AS AND A- LEVEL ECONOMICS

Specification
For teaching from September 2015 onwards
For AS and A-level exams in 2016 onwards
Version 1.3 (9 June 2012)

Dear Students,

Welcome to your 'Find out more...' page for Economics. Economics helps you understand the world around you - from the cost-of-living crisis to global trade. You'll develop analytical and problem-solving skills by exploring how individuals, firms and governments make choices. The subject combines data, theory and current affairs, making lessons engaging and relevant. Economics is highly regarded by universities and employers, supporting careers in business, finance, politics and beyond.

We are excited to be part of your decision-making journey, and you're welcome to check in with us anytime to learn more about Economics.

Ms Patel

Head of Economics
