

## English Literature - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for English Literature. A-Level English Literature invites you into a world where language shapes thought, stories challenge perception, and ideas ignite imagination. You'll study an exciting range of texts — from Ibsen's *A Doll's House* to Hosseini's *A Thousand Splendid Suns* — exploring how writers confront and inspire us. The course hones creativity, critical thinking, and eloquent written and verbal communication. Through discussion and essay writing, you'll learn to analyse deeply, argue persuasively, and express yourself with clarity and flair — skills prized in every career. English Literature teaches you not just to read texts, but to understand humanity itself.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about English Literature.
