

Photography - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for **Photography**. Studying Photography at our Sixth Form is an inspiring and creative journey that encourages you to develop your own visual style and artistic identity. The course offers exciting opportunities to experiment with digital and analogue photography, exploring composition, lighting, and image editing. You'll study a wide range of photographers, techniques, and themes to inspire and inform your own meaningful work. With access to a dedicated Sixth Form Art Studio and a small darkroom for developing and printing photographs, you'll have the freedom to work independently and continue developing your creative ideas beyond the classroom.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about **photography**.
