

Information Technology - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for BTEC Information Technology. BTEC IT is a fantastic choice because it blends practical skills with real-world applications, preparing you for the fast-paced world of technology. You'll learn how to design systems, analyse data, develop software, and understand cybersecurity—all essential in today's digital age. The course focuses on hands-on projects that build confidence and problem-solving ability, giving you both academic and career-ready experience. Whether you aim to progress to university or enter the tech industry directly, BTEC IT provides the perfect foundation for success in a wide range of exciting digital careers.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about the subject.

Mr K Thinavalagan
Head of Computing
