

Maths - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for Maths. Maths is a brilliant A Level choice because it teaches you how to think, to solve problems, spot patterns, and tackle challenges with confidence. It fits beautifully alongside subjects like Physics, Economics, and Chemistry, and opens doors to exciting, well-paid careers in fields from engineering to finance and medicine. At NHSG, you won't find a more supportive team to work with; helping you build the skills and confidence to succeed. Whether you love algebra or just want a subject that keeps your options wide open, Maths at NHSG sets you up for success.

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about Maths.

Carolina Dale-Rivas
Subject Lead
