

Media Studies - Find out more...

Dear Students,

Welcome to your 'Find out more...' page for Media Studies. Discover how the media shapes the world around us with A Level Media Studies! You'll explore radio, magazines, TV, and film, uncovering how messages are created, shared, and understood. This course challenges you to think critically about media's global and historical influence while giving you the freedom to create your own professional media products. You'll learn how audiences are targeted, how stories are told, and how media reflects and shapes society. Perfect for creative, analytical thinkers, Media Studies opens doors to careers in film, journalism, marketing, and beyond. Study the media—then make your mark on it!

We are excited to be part of your decision making journey, and you are welcome to check in with us at any time to learn more about Media.
