## Preventing Extremism and Radicalisation Policy

Norbury's safeguarding duty includes the duty to promote British values in order to counter the extremist narrative and prevent young people from being radicalised and drawn into terrorism.

- Democracy
- The rule of law
- Individual liberty
- Mutual respect for and tolerance of those with different faiths and beliefs, and for those without faith

Norbury values freedom of speech and the expression of beliefs/ideology as fundamental rights underpinning our society's values. Both students and teachers have the right to speak freely and voice their opinions. However, free speech that is designed to manipulate the vulnerable or that leads to violence and harm of others goes against the moral principles in which freedom of speech is valued. Free speech is not an unqualified privilege; it is subject to laws and policies governing equality, human rights, community safety and community cohesion. Essential to this school is fundamental British values of Democracy, Rule of Law, Equality of Opportunity, Freedom of Speech and the rights of all to live free from persecution of any kind and it would be expected that views and opinions expressed would be commensurate with these

Norbury will always endeavour to be a safe place for students to explore new ideas and perspectives as well as develop critical thinking skills. Where there are concerns about radicalisation and a referral to Channel is being considered Norbury will discuss these concerns internally and also consider external advice and guidance where necessary and appropriate.

We will protect students against the messages of all violent extremism including, but not restricted to, those linked to Islamist ideology, or to Far Right/Neo Nazi/White Supremacist ideology, Irish Nationalist and Loyalist paramilitary groups, and extremist Animal Rights movements

Staff should use the notice -check- share principle. If they notice anything that might indicate a cause for concern they should check with the Designated Safeguarding Lead or one of the Deputies). If necessary this information will be shared with the necessary authorities

In accordance with the Prevent Duty placed upon the school by the Counter Terrorism and Security Act 2015 we understand the specific need to safeguard students and

families from violent extremism. This exploitation and radicalisation should be viewed as a safeguarding concern

The Headteacher and the Designated Safeguarding Lead will assess the level of risk within their school and put actions in place to reduce that risk. Risk assessments may include consideration of the school's RS curriculum, SEND policy, assembly policy, the use of school premises by external agencies, anti-bullying policy and other issues specific to the school's profile, community and philosophy

This risk assessment will be reviewed as part of the annual S175 return that is monitored by the local authority.

When any member of staff has concerns that a child may be at risk of radicalisation or involvement in terrorism, they should speak with the Designated Safeguarding Lead (or their Deputies).

Under Counter-Terrorism and Security Act 2015, Norbury also has a duty to refer young people on to Croydon's Channel Panel under the Prevent strategy where there are concerns that they are being radicalised.

If a student is thought to be at risk of radicalisation, advice will be sought from Channel, and if advised, information will be shared with the Channel Panel using [Channel@croydon.gov.uk](mailto:Channel@croydon.gov.uk). This is a voluntary and confidential process. It should be stressed that at this stage the person has not committed any offence.

Where Norbury has concerns that a student might be considering extremist ideologies and/or may be radicalised this would be considered as the student being at serious risk of harm. Similarly a student may be at risk due to their parent's radicalisation. If any such concern arise a child protection referral will be made to the Multi Agency Referral Form (MARF) will be completed using the Croydon Single Point Of Contact (SPOC) platform

At Norbury our Safeguarding reporting arrangements are set out fully in our Safeguarding Policy.

The Designated Safeguarding Lead is: **Ms S Tsoukkas**

The Deputy Designated Safeguarding Leads are: **Ms J Campbell and Ms S Patten**

Norbury's safeguarding lead should be consulted for internal advice on making a referral. Prior to making a referral, the school may choose to get advice from the police schools team, *the SPOC Professionals' Consultation Line; the prevent and/or, Croydon Prevent Team, Prevent Education Officer, (Cordelia Shaw: email*

[cordelia.shaw@croydon.gov.uk](mailto:cordelia.shaw@croydon.gov.uk); tel. 07436031172), Croydon Prevent Manager (Haydar Muntadhar: email [haydar.muntadhar@croydon.gov.uk](mailto:haydar.muntadhar@croydon.gov.uk); tel. 07562438898) Prevent switchboard 0208 726 6000 (ext. 62070)

## **Role of Governing Body**

The governing body of our School will undertake appropriate training to ensure that they are clear about their role and the parameters of their responsibilities as governors, including their statutory safeguarding duties.

The governing body of our school will support the ethos and values of our school and will support the school in tackling extremism and radicalisation.

In line with the provisions set out in the DfE guidance 'Keeping Children Safe in Education, 2020' the governing body will challenge the school's senior management team on the delivery of this policy and monitor its effectiveness.
